Celebrating 75 Years of Christ-Centered Education

December 7, 1941, is often referred to as “the date that will live in infamy.” It marks the bombing of Pearl Harbor that in turn thrust the United States into World War II. On the very next day, December 8, 1941, a group of Christian parents under the leadership of Rev. L. Voskuil of First Christian Reformed Church of Wellsburg, Iowa, organized the Timothy Society for Christian Instruction. Their inspiration came from the Apostle Paul as he wrote to Timothy, “...from infancy you have known the holy Scriptures, which are able to make you wise for salvation through faith in Christ Jesus.” (2 Tim. 3:15). Thirty-six men joined the Timothy Society as charter members. A constitution was adopted, a board chosen, and for the next five years, plans were made for the eventual opening of a Christian school. On October 16, 1946, two teachers, Andrew Rich and Elizabeth Eekhoff, along with 36 students, began classes in a new two-room school building. Classes had been held for several weeks at First Christian Reformed Church until the completion of the new school which was dedicated to the Lord on Tuesday evening, October 22, 1946.

Today, we continue the legacy of a Christ-centered education started 75 years ago, and we celebrate the Lord's faithfulness and the lives touched by Timothy Christian School. Please look for announcements in the months to come on how we will celebrate the 75th anniversary of the school throughout the 2021-2022 school year.

TC students, families, and staff participate in many of the local community parades with our 75th Anniversary float.
